Keeping our campus community safe for students, employees, and visitors is a top priority for the University of Central Florida. Our staff members, faculty members, and administrators work diligently with the UCF Police Department to ensure the best possible campus environment for academic, professional, and personal growth. UCF’s successful strategy for safety includes focusing on crime prevention, working with student and community organizations, and collaborating with area law enforcement agencies. But your help is also essential. Please read and follow the suggestions in this guide. Together, we can prevent crime on campus and make UCF a safe and welcoming place for everyone.

John C. Hitt, President

The UCF Police Department is an accredited, full service police department that serves the UCF community. The department, based on a community policing model, provides law enforcement services and crime prevention assistance to students, faculty, staff members and visitors across UCF’s campuses.

The UCF Police Department continues to grow with the needs of an expanding metropolitan research university and has adopted the cutting edge training and technology that prepares officers to respond to the unique needs of a university community. The department is staffed by well trained, well equipped and professional law enforcement officers and an exceptional support staff that is dedicated to fostering a safe, inclusive campus environment.

The Annual Security and Fire Safety Guide is our way of increasing communication about crime prevention and awareness. We also regularly provide educational programming to increase the community’s safety and knowledge. Through training and other crime prevention resources, the UCF Police Department has taken important steps to address sexual violence, dating violence, stalking, alcohol and drug misuse, theft and other crimes that are not unusual on college campuses across the nation.

I encourage you to use the information in this guide to promote your own personal safety and to assist us in keeping UCF safe and secure.

CAMPUS SECURITY & FIRE SAFETY STATISTICS
The Campus Security Act requires colleges and universities to:

• Publish an annual report by October 1 that contains three years of campus crime and fire statistics, certain campus security policies and fire prevention statements.
• Disclose crime statistics for campus, public areas immediately adjacent to or running through the campus, non-campus facilities and remote classrooms.
• Issue campus alerts to provide the campus community with information necessary to make informed decisions about their health and safety.
• Publish on-campus housing fire statistics and fire drills from the previous year.
• Compile, prepare and distribute this report by working with local law enforcement and other university officials who have significant responsibility for student and campus activities.

Members of the UCF community are encouraged to use this report as a guide for safe practices on and off campus. The Annual Security and Fire Safety Guide is published by the UCF Police Department and is available online at http://www.police.ucf.edu/CrimeStats.html. The Police Department policy requires campus crime data, relative to the Clery Act, be compiled electronically and submitted annually to the Department of Education. Crime statistics are gathered for buildings owned or controlled by UCF that are used for institutional and educational purposes, as well as public property within or immediately adjacent to and accessible from campus. This data is compiled through reports made to the UCF Police Department and other Law Enforcement Agencies. Fire statistics are compiled by gathering reports from UCF and Orange County Fire Department. For a printed copy of this report, please visit the UCF Police Department located at 3610 Libra Drive, Orlando, FL 32816, or one may be requested by contacting clery@ucf.edu.

THE UNIVERSITY OF CENTRAL FLORIDA POLICE DEPARTMENT

MISSION
The University of Central Florida Police Department provides high-quality, professional crime prevention, protection, and law enforcement services to maintain and promote human safety and the security of property for the UCF campus and its associated locations. The department facilitates the achievement of the academic, research, and public service mission of the university through its safety and security programs, the protection of individual rights, and reducing the fear of crime.

This mission is accomplished through the direct provision of traditional law enforcement and emergency services, and the design and delivery of proactive educational, outreach and crime prevention programs for a broad and diverse campus community. The UCF Police department maintains excellent working relationships with local law enforcement agencies, including but not limited to Orange County Sheriff’s Office, Seminole County Sheriff’s Office, Orlando Police Department, Oviedo Police Department, Florida Highway Patrol and the Florida Department of Law Enforcement. The UCF Police Department also has legal agreements with neighboring law enforcement agencies to help accomplish this mission. Criminal activity at off campus locations involving student organizations officially recognized by UCF are monitored and recorded through local law enforcement agencies.

Additionally, the UCF Police Department provides services, develops programs, and trains its sworn and civilian staff members with sensitivity to the unique concerns of the university community. UCF police officers enforce federal laws, Florida state laws, local ordinances and institutional policies.

Under the provisions of FSS 1012.97 UCF Police are declared to be law enforcement officers of the state and conservators of the peace and have the right to arrest, in accordance with the laws of this state, any person for violation of state law or applicable county or city ordinances when such violations occur on or within 1000 feet of any property or facilities that are under the guidance, supervision, regulation, or control of the state university, a direct-support organization of such university, or any other organization controlled by the state university, or when such violations occur within a specified jurisdictional area as agreed upon in a mutual aid agreement entered into with another law enforcement agency.

VALUES
In carrying out its stated mission, all members of the department strive to embrace the following core values:

• Demonstrate a commitment to excellence.
• Solve problems in the community.
• Demonstrate sensitivity to differing points of view.

VISION
The UCF Police Department will grow with the needs of an expanding metropolitan university. The UCF Police Department will augment services for commuting students and students residing on campus. Through continued documentation, review, and planning, the department will be cognizant of services that are required by the university. Those services will be provided by a well-trained, well-equipped, and professional law enforcement department.

GOALS

Through continued documentation, review, and planning, the department will be cognizant of services that are required by the university. Those services will be provided by a well-trained, well-equipped, and professional law enforcement department.

• Increase police coverage for the university community by expanding programs currently offered and adding new services as required.
• Increase communications by routinely publishing information on crime prevention and awareness, and by providing educational programs to increase the community’s knowledge and safety as it relates to police services.
• Meet the challenges of maintaining and improving law enforcement services by aggressively seeking, employing, and retaining high-quality law enforcement professionals.
• Continually train all officers to be knowledgeable of current laws and procedures.
• Ensure that the department’s members represent the constituency it serves and do not discriminate.
• Maintain and upgrade communications, alarm and surveillance systems, patrol vehicles, and other police equipment needed to effectively provide comprehensive police service.
WHAT IS UCF ALERT?

UCF Alert is a multimedia communication system that provides timely and accurate information about emergency situations that could impact the University and is activated primarily for life safety situations.

The UCF Police Department, Office of Emergency Management, and UCF News & Information determine which communication tools will be used during an emergency. If these departments receive information about an immediate threat to the UCF campus, they will confirm that a threat exists, determine the appropriate segment or segments of the campus community to receive the information, if the threat is limited to a certain building or segment, as well as determine the content of the notification and initiate some or all of the notification systems described below. These entities work together to provide timely and accurate information to the UCF community. All incidents will be evaluated on a case-by-case basis to determine if a serious or ongoing threat to the campus community exists. For example, if an assault occurs between two students who have a disagreement, there may be no ongoing threat to other UCF community members and a UCF Alert would not be distributed. In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a UCF Alert to the community. Sex offenses will be considered on a case-by-case basis depending on when and where the incident occurred, when it was reported, and the amount of information known by the UCF Police.

UCF will immediately notify the campus community, upon the confirmation of a significant emergency or dangerous situations on UCF's campuses, which involve an immediate threat to the health or safety of students, faculty, and staff so that they may take reasonable precautions for safety, unless the notification at that time will confirm that no threats to the community exist. Only authorized personnel can operate, activate, or deactivate the UCF ALERT System. Each individual who has the authority to activate the UCF ALERT system has the responsibility of ensuring that it is activated primarily for life safety situations and is not used for routine notifications. Depending on the scale and type of emergency, some or all systems will be used for emergency notifications. The deactivation of the UCF ALERT system will be done in stages, depending on the scale and type of emergency. A large-scale emergency will require that some UCF Alert systems remain active until the entire UCF community is aware of its current status. For example: the UCF Emergency Home Page may be used to provide information to faculty and staff members. The UCF Campus Surface Notification System has been deemed safe by the appropriate authority. Incidents which prompt a UCF Alert include, but are not limited to:

- Any of the Clery Reportable Crimes (murder and non-negligent manslaughter, negligent manslaughter, forcible sexual offenses, robbery, aggravated assault, burglary, motor vehicle theft, and arson)
- An outbreak of a serious illness
- Approaching tornado, hurricane or other extreme weather condition
- Earthquake
- Gas leak
- Terrorist incident
- Armed intruder
- Bomb threat
- Civil unrest or rioting
- Explosion
- Nearby chemical or hazardous waste spill

UCF Alert features several communication tools including emails, text messages, web updates, social media, sirens, and more (see full notification list below). These notification procedures are tested on an annual basis. These tests will be announced OR unannounced. In accordance with federal law, a summary of at least one test will be published on an annual basis.

At all times, the best source for official news and information is the UCF website www.ucf.edu. Members of the larger community, such as parents or campus neighbors can visit the UCF website to receive campus emergency information. The site will be updated during an emergency as information becomes available. Follow-up information regarding emergencies on campus will be disseminated using some or all of the notification systems described below.

For questions about UCF Alert and how it is used, contact the UCF Office of Emergency Management at 407-822-7111.

PRIMARY NOTIFICATIONS

Even if you were not in your building when it was evacuated, go to your evacuation meeting site so someone can account for you.

If you are required to leave the building immediately but are unable to do so (because of a physical disability, injury or obstruction):
- Go to the nearest area where there are no hazards, smoke, or other safety concerns.
- Notify University Police at 911.
- Signal out the window to emergency responders, if possible.
- Remain calm, responders will arrive.
- Instructors and supervisors should be proactive and be aware of people who will need assistance.

When a shelter in place notification occurs:
- Remain CALM.
- Faculty should recommend to students and others not to leave or to go outside.
- If you are in dorm rooms, remain there.
- Select a small interior room with no or few windows as possible.
- Close and lock all windows, exterior doors, and any other openings that lead to the outside.
- Stay away from all windows, doors.
- Facilities Management personnel or trained Crisis Coordinators may shut down all building ventilation fans and air conditioners, when and if appropriate.
- If you are told there is danger of explosion, close the window shades, blinds, or curtains.
- Select interior rooms on the ground floor, with the fewest windows or air vents.
- Room(s) should have adequate space for everyone to be able to sit down comfortably.
- Avoid overcrowding by selecting several rooms when necessary.

For severe weather and civil unrest:
- Stay inside and move away from windows.
- Close and lock all exterior doors and offices.
- For extreme weather, relocate to lower levels in the building.

SHELTER IN PLACE: WHAT IT MEANS TO SHIELD YOUR PLACE

Sheltering in place provides protection from external hazards, minimizes the chance of injury and/or provides the time necessary to allow for a safe evacuation. This should be done by selecting a small, interior room if possible, with no or as few windows as possible. When authorities issue directives to shelter-in-place, do not walk outdoors, take refuge indoors immediately.

A shelter in place order may be issued for several reasons:
- Active Shooter
- Severe weather
- Hazardous materials
- Civil Unrest
- Hostage situation
- Or any situation where it is best for you to stay where you are to avoid any outside threat.

NOTE
If you are off campus and receive a UCF Alert, remain off campus and visit ucf.edu for university updates.

REPORTING CRIMINAL INCIDENTS & OTHER EMERGENCIES

All students, employees, and guests should promptly and accurately report crimes in progress, life and death situations, crashes with injuries, and other suspected emergencies or dangerous situations to 911. Dialing 911 on campus will contact University Police. Specify your location if you are calling from a cellphone. Stay on the line until the dispatcher locates your jurisdiction and tells you to hang up.

In response to reports of criminal activity, potential emergencies, or dangerous situations on campus, UCF Police Department will take the required action by either dispatching an officer, or asking the caller to report to UCF Police Department headquarters to file an incident report. Incidents should be reported even when the victim of a crime elects to or is unable (physically/mentally) to make such a report. UCF Police Department investigators will investigate a report when it is deemed appropriate. Reporting incidents to the UCF Police Department is important to facilitate timely determination of the existence of a significant emergency or dangerous situation and assess for timely warning notices to aid in the prevention of similar crimes. It also allows criminal offense information to be appropriately included in the annual disclosure of crime statistics.

911

Blue Light Phones
Located throughout campus, these phones provide direct contact to the UCF Police Department dispatcher. They are located in every level of every campus parking garage and on poles around the campus. They can be identified by the blue light on top of the box or pole. When the red button is activated on these phones, the phone will contact the UCF Police Department and the dispatcher will offer assistance. A police officer will be dispatched as needed.

Voluntary Confidential Reporting
UCF has several methods for individuals to report crimes and other serious incidents on a voluntary and confidential basis. If you are the victim of a crime and do not wish to pursue action within the University system or the criminal justice system, you may still want to consider making a confidential report to UCF Victim Services at 407-823-1200. With such information, the University can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method or assailant, and alert the campus community of potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the University. Pastoral and professional counselors, when they deem appropriate, may or may not inform individuals of procedures to report crimes on a voluntary confidential basis.

Security of And Access To University Facilities
Many cultural and athletic events held at the University facilities are open to the public. Other facilities, such as the bookstore, libraries, and cafeterias are also open to the public. Access to academic and administrative facilities on campus is generally open to students, employees, and visitors for the purpose of study, work, teaching, and conducting other University business during normal business hours.

Security in academic and administrative facilities is conducted through routine security patrols by UCF Police Officers.

Access to residential facilities is limited to building residents and their guests. Residence hall access is maintained through student ID card access. Security of residence halls is supported through residence life staff, which encourages residents to maintain a secure living environment. UCF Police Officers conduct security patrols of residential facilities to monitor security and safety measures.

Maintenance Of Campus Facilities
University facilities are well-maintained, and in the interest of the students, faculty and staff security is given considerable attention. UCF Police Department works closely with Facility Operations to address physical security concerns such as broken out windows or malfunctioning door locks so these issues are promptly repaired.

Campus Safety Alert/Crime Alert Bulletin
The University relies upon its close working relationships with local law enforcement agencies to receive information about incidents involving UCF students. UCF Police Officers actively investigate any crime tip received. When notified of incidents that represent a serious or continuing threat to the campus community, a Campus Safety Alert or Crime Alert Bulletin is released detailing the incident and providing tips for others to avoid similar situations.

Incidents are assessed on a case by case basis for issuing an Alert Bulletin. Such factors as the nature of the crime and the continuing danger to the campus community are used to determine the need for a Warning. Typically, Crime Alerts are issued for the following Uniformed Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) classifications: major incidents of arson, criminal homicide, and robbery. Cases of aggravated assault and sex offenses are considered on a case-by-case basis, depending on the facts of the case and the information known by UCF Police Department.

For example, if an assault occurs between two students who have a disagreement, there may be no on-going threat to other UCF community members and a Crime Alert bulletin would not be distributed. In cases involving sexual offenses, they are often reported long after the incident occurred, thus there is no ability to distribute an immediate emergency notification to the community. Sex offenses will be considered on a case by case basis depending on whether there is a continuing threat to the incident occurred, when it was reported, and the amount information known by the UCF Police Department. If deemed necessary, a Crime Alert bulletin may be distributed providing tips for others to avoid similar situations. The UCF Police Chief or designee reviews all reports to determine if there is an on-going threat to the community and if the distribution of a Crime Alert is warranted. Crime Alerts may also be posted for other crime classifications, as deemed necessary.

Campus Security Authorities
UCF Police Officers and police department administrators, and non-police personnel or offices responsible for campus security (e.g. community service officers, campus contract security personnel, parking enforcement staff, personnel providing access control and/or security at campus facilities, athletic events or other special events, safe escort staff, residential community assistants, and other similar positions). In addition, any UCF official with significant responsibility for student and campus activities is considered a CSA. CSAs are responsible for reporting crimes to the UCF Police Department, including crimes where the victim chooses to remain anonymous. Pastoral counselors and mental health or professional counselors are not considered CSAs when acting in the scope of the recognition as a pastoral counselor or the scope of the professional counselor’s license or certification.

Specialty Units
K-9 Units: Assist in the detection of unwanted substances such as bomb materials or illegal drugs, and are state certified for tracking. A demonstration may be requested for your organization via the UCF Police Department website at http://www.police.ucf.edu/K9demo.html.

Investigators: Conduct follow-up investigations on police reports completed by the patrol division of the UCF Police Department.

Community Service Officers (CSOs): Highly trained, unarmed, non-sworn officers assigned to the Rosen College of Hospitality Management or the College of Medicine at Lake Nona, and the main campus. CSOs can take reports for misdemeanor crimes, provide escorts, and respond to injured or ill persons and other minor incidents.

Forensic Technicians: Document, photograph, and collect evidence at crime scenes, and are responsible for the proper management, maintenance and dissemination of all evidence, safekeeping of property, and lost and found property.

Law Enforcement Analysts: Develop tactical and strategic plans for addressing and disseminating criminal intelligence bulletins, and supporting law enforcement investigative personnel with tasks associated with crime detection, such as crime mapping.

For more information on crime statistics on and near campus, go to www.police.ucf.edu/Crime/stats.html.
CRIME PREVENTION & SECURITY AWARENESS SERVICES

SAFE ESCORT PATROL SERVICE (SEPS)
Under the supervision of the UCF Police Department, this service provides free safe passage for students, faculty and staff members, and visitors who need to cross the main campus after dark. Call 407-823-2424 Sunday through Thursday, 7 p.m. to 1 a.m. for an escort. After 1 a.m. call 407-823-5555 for a main campus escort. All SEPS personnel receive a full background check prior to becoming employed by the UCF Police Department.

OPERATION ID/PROPERTY REGISTRATION
The UCF Police Department offers free engraving of your driver license number on your valuables. This assists the Police Department in recovering property that is lost or stolen. Property registration, another free service, provides students, faculty and staff members with a way to record the make, model, value, color and serial number of valuables into a Police Department database. Why would you want to do this? Theft is the number one crime that affects college students across America. Don’t think it can’t happen to you!

If you report theft of your property and you don’t have the information that law enforcement needs to help you, the odds of getting your property back diminish. If you use the online property registration program that creates a description of your property and we get your serial number, the odds on the recovery is much higher.

The police enter your serial number into the national and state databases. Law enforcement agencies are now able to retrieve the information so that the stolen item may be recovered and returned to you. The information is kept for 4 years and is kept confidential only accessible to law enforcement officers. This program is available 24 hours a day throughout the year and just takes minutes to do.

For students who participate in the LINK LOOT program from the First Year Advising Office, you can earn 500 points by registering your property. It can be a radio, TV, computer, cell phone, or any other object with a serial number. To register your property, please visit the UCF Police Department’s website at http://www.police.ucf.edu/PropertyReg.html.

ORIENTATION AND CRIME PREVENTION PROGRAMS
The UCF Police Department partners with the Office of First Year Experience to speak to students and their families about social behavior, crime prevention, and the services offered by the UCF Police Department.

This is conducted during new student orientation. Students and parents receive information about preventing property crimes such as theft and vehicle burglaries, as well as self-defense classes. After the presentation, parents have the ability to speak to UCF Police Officers one-on-one regarding crime and crime prevention.

UCF’s employees are the University’s greatest assets against crime. In partnership with the Human Resources Department, a UCF Police Department Community Relations officer speaks at all new employee orientations about crime prevention and keeping our campus safe. Employees are asked to report suspicious people to the UCF Police Department, as well as assist students who are in need of the police or medical attention.

S.A.F.E.
Self-defense Awareness and Familiarization Exchange (S.A.F.E.) is a two hour educational awareness, crime-victim prevention program. This class provides teenaged and adult women with strategies, techniques, and information that may reduce their risk of exposure to violence, as well as introduces them to the physical aspects of self-defense. S.A.F.E. classes are held once per month at the UCF Police Department and costs $5. Separate classes offered for private groups of eight to 20 women and can be held in a private room on campus. Please schedule private groups three weeks in advance.

PHYSICAL SECURITY ANALYSIS
UCF Police Department Community Relations officers are state-certified crime prevention practitioners who provide evaluations of buildings and departments on campus to help make the campus a safer environment. Departments can request an evaluation by calling The Community Relations Unit during normal business hours Monday through Friday.

BICYCLE IMPOUNDMENT
Bicycles are popular at UCF. The UCF Police Department tries to keep the number of abandoned or non-working bicycles to a minimum so that students who ride their bicycles have a place to park. Throughout the year, the UCF Police Department and designated University personnel tag bicycles that appear to be abandoned (e.g. rusted chains, flat tire, etc.) for a minimum of five days. If the tagged bicycles are not removed/repaired within five days, the bicycle may be impounded. Once a bicycle is impounded it may be auctioned after 30 days. Proceeds from bicycle auctions are used for student services. For more information on bicycle safety, visit the UCF Police Department website at http://police.ucf.edu/BicycleSafety.

Bicycles that are illegally parked (locked to anything other than a bicycle rack) can be impounded at any time. If you think your bicycle has been impounded, contact the UCF Police Department at 407-823-5555 to retrieve it within 30 days of the bicycle being impounded.

THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)

The University of Central Florida does not discriminate on the basis of sex on educational programs and activities. Sexual harassment and sexual violence are types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited whether sexually based or not and include dating violence, domestic violence, and stalking. As a result, the University of Central Florida issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures for sexual assault, domestic violence, dating violence, and stalking, whether the incident occurs on or off campus and when it is reported to a University official. In this context, the University of Central Florida prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the university community.

The university has a website dedicated to the prevention of sexual misconduct, which includes campus policies, prevention strategies, reporting mechanisms, and details on resources. The website address is www.shield.ucf.edu.

For a complete copy of UCF’s policy governing student-related domestic violence, dating violence, sexual assault, and stalking, visit http://goldenerule.ucf.edu.

A. Definitions

There are numerous terms used by University of Central Florida staff and faculty. Because both employees and students can complain of sexual misconduct and can navigate both on campus administrative resolution processes as well as (depending on the offense) an external criminal resolution process, UCF is providing definitions of terms under the Rules of Conduct including, but not limited to, the Federal Uniform Crime Reporting system. A sex offense is any act directed against another person, without the consent of the victim, in circumstances where the victim is incapable of giving consent.

Consent is defined as consent within the criminal statute related to sexual battery. Fla. Stat. § 794.011 Sexual battery. — (a) “Consent” means intelligent, knowing, and voluntary consent and does not include coerced submission. “Consent” shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender.

Rape is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another, without the consent of the victim.

Fondling is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest is defined as nonconsensual sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape is defined as nonconsensual sexual intercourse with a person who is under the statutory age of consent.

Rape and sexual assault are called “Sexual Battery” under Florida criminal law.

UCF engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:
• Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and
• Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and employees that:
• Identifies domestic violence, dating violence, sexual assault, and stalking as prohibited conduct;
• Defines, using definitions provided by the Department of Education as well as state law, what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
• Defines what behavior and actions constitute consent to sexual activity in the State of Florida and the Rules of Conduct;
• Provides a description of safe and positive options for bystander intervention. Bystander intervention is safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene; and
• Information on risk reduction. Risk reduction means options for reducing the likelihood of perpetration of or exposure to violence and facilitating support for victims of violence. Risk reduction means recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene; and
• Provides an overview of information contained in the Annual Security and Fire Safety Guide in compliance with the Clery Act.

UCF has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students, participating in and presenting and distributing and materials during the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress.

C. Procedures for Reporting a Complaint

UCF has procedures in place that serve to be sensitive to those who report sexual assault, domestic violence, dating violence, or stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, financial aid, visa and immigration assistance, and other services on and off campus as well as additional remedies to prevent contact between a complainant and accused party, such as housing, academic, transportation, and working accommodations, if reasonably available. UCF will make such accommodations, if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to the UCF Police Department, the Office of Student Conduct, or local law enforcement. Students and employees should contact Maria Beckman, Director, Equal Opportunity & Affirmative Action, Title IX Coordinator at Millican Hall 330, University of Central Florida, Orlando, FL 32816-0030 (407) UCF-1EEO (823-1336) http://www.ueo.ucf.edu/ to report incidents of sexual assault, domestic violence, dating violence, and/or stalking. After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible at a certified Sexual Assault Treatment Center. Florida Council Against Sexual Violence’s (FCASV) Hotline Number, 1-800-956-7273, will route calls to local crisis centers and also UCF Victim Services. Hotline 407-823-1200 should be contacted for immediate assistance in accessing services at the local Sexual Assault Treatment Center. The FCASV website also includes a search for local sexual violence treatment centers http://www.fcasv.org/information/find-your-local-center. In Florida, evidence may be collected even if you chose not to make a report to law enforcement. Advocates are available 24 hours a day, 7 days a week to provide support and advocacy for survivors of sexual abuse. The UCF Police Department has trained Victim Services employees within the Police Department, who can also support victims of sexual and/or domestic abuse. The UCF Police Department can provide transportation to the hospital whether or not the survivor wants to make an official report to law enforcement. Police are required to 1) assess information provided to them for purposes of determining if a Timely Warning (community alert) needs to be sent out; 2) determine if the crime statistic should be included in their annual report; and 3) notify the Title IX Coordinator, Equal Opportunity & Affirmative Action Office of the call, but a victim’s personal identifying information will never be publicly disclosed.

It is important that a victim of sexual assault not bathe, douche, smoke, change clothing, or clean the bed/linen/ area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the criminal offense occurred or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to UCF hearing boards/investigators or police. Although UCF strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim’s choice whether or not to make such a report and the victim has the right to decline involvement with the police. UCF will assist any victim with notifying local police if they so desire. The UCF Police Department works with the Orange County Sheriff’s Office, the Seminole County Sheriff’s Office, and the City of Orlando Police Department (see “Off-Campus Resource” section for contact information for these three local police departments.) to investigate crimes when deemed appropriate.
If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident to the Title IX Coordinator, Maria Beckman, Director Equal Opportunity & Affirmative Action, at Millican Hall 330, University of Central Florida Orlando, FL 32816-0350 (407) UCF Ext. 1536 http://www. ucf.edu/ by calling, writing or coming into the office to report in person and to the UCF Police Department (if the victim so desires). The University police can provide interim or long-term measures to protect the victim/survivor, such as housing, academic, or workplace changes and may obtain assistance in doing so from the UCF Police Department, another local law enforcement agency, or may go directly to the Orange County Courthouse located at 425 N. Orange Avenue Orlando, FL 32801 407-836-2000. Hours of operation are Monday through Friday 7:30 am to 4:00 pm. If you are the victim of dating violence, domestic violence, sexual assault, or stalking and need an emergency injunction, contact your local police department or if on campus, the UCF Police Department.

UCF may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. To do so, UCF will cooperate and consent. University offices will work cooperatively to ensure that the victim's health, physical safety, work, and academic status are protected, pending the outcome of a formal university investigation of the complaint. For example, if reasonably available and potentially protective, UCF may offer the victim medical, legal, financial, academic, or living, or working situations in addition to counseling, health services, financial aid, visa and immigration assistance, and assistance through existing local law enforcement. Additionally, personal identifiable information about the victim will be treated as confidential and shared only with those who have a specific need to know who are investigating/adjudicating the complaint or delivering consistent enforcement of any order. You can refer to the Resources section on the www.shield.ucf.edu website for further information.

UCF cannot apply for a legal order of protection (injunction) for a victim from the applicable jurisdiction(s). The victim is required to apply directly for these services and may obtain assistance in doing so from the UCF Police Department, another local law enforcement agency, or may go directly to the Orange County Courthouse located at 425 N. Orange Avenue Orlando, FL 32801 407-836-2000. Hours of operation are Monday through Friday 7:30 am to 4:00 pm. If you are the victim of dating violence, domestic violence, sexual assault, or stalking and need an emergency injunction, contact your local police department or if on campus, the UCF Police Department.

Injunctions

UCF complies with Florida law in recognizing orders of protection in the State of Florida. There are five types of injunctions that differ based on the nature of the threat and the victim's relationship to the abuser. Injunctions are issued throughout the State of Florida.

Domestic Violence Injunctions

You may file a Domestic Violence Injunction if there has been an incident of abuse or there is a continuing relationship of a romantic and intimate nature. You may file for a Domestic Violence Injunction if you are your spouse, former spouse, related to you by blood or marriage, living with you or has lived with you in the past or is a room mate, or a child(ren) whether you have been married or lived together.

Repeat Violence Injunctions

You may file a Repeat Violence Injunction if two or more incidents of violence have been committed against you or a member of your immediate family by another person. At least one of the incidents of violence must have occurred within the last six months of filing a petition.

Sexual Violence Injunctions

You may file a Sexual Violence Injunction if there has been an incident of sexual violence. Sexual violence is defined in 42 USC 1395 (a) (20)). Further, the institution will maintain as confidential, any accommodations or protections afforded to the victim that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protections to the victim.

UCF does not publish the name of crime victims nor house identifiable information regarding victims in UCF Police Department’s Daily Crime Log or online. Victims may request that direct file be removed from public sources by going to the Registrar's Office and making the request. Employees should contact Human Resources for assistance.

Confidentiality

As expected of the University Police Department, another local law enforcement agency, or may go directly to the Orange County Courthouse located at 425 N. Orange Avenue Orlando, FL 32801 407-836-2000. Hours of operation are Monday through Friday 7:30 am to 4:00 pm. If you are the victim of dating violence, domestic violence, sexual assault, or stalking and need an emergency injunction, contact your local police department or if on campus, the UCF Police Department.

### Risk Reduction

With no intent to victim blame and recognizing that bystanders play a critical role in the prevention of sexual and relationship violence, they are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.” We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found on the UCF website www.shield.ucf.edu. If you or someone else is in immediate danger, dial 911 immediately. If you feel safe but want to be isolated from the person you are concerned about, look for a way to get out of the bad situation. If you see someone who looks like they could be in trouble or need help, ask if they are ok.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit, or try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this guide for support in health, counseling, or with financial or legal assistance.

### E. Adjudication of Violations

Whether or not criminal charges are filed, UCF or an individual person may file a complaint under UCF’s policy prohibiting Harassment and Discrimination (to include Sexual Misconduct) with the Title IX Coordinator, Equal Opportunity & Affirmative Action Office alleging that an employee or student violated the institution’s policies. UCF has extensive information online to assist complainants in understanding policy and procedures. For an explanation of the policies and procedures related to sexual harassment, to include sexual assault, visit the Equal Opportunity & Affirmative Action Office at [http://eo.ucf.edu](http://eo.ucf.edu)

### Rights of Students and Employees Accused of Sexual Misconduct

If you have been accused of sexual misconduct including sexual harassment, sexual assault, dating or domestic violence, or stalking, and the university is determining whether disciplinary action is appropriate, you have certain rights:

1. CHARGES. You have the right to be notified of the charges against you. You will be notified in writing and will be provided a copy of the complaint against you.
2. PROMPT, FAIR, AND IMPARTIAL INVESTIGATION. You have the right to a prompt, fair, and impartial investigation of the complaint against you, including an opportunity to present witnesses and other evidence. You may present documents, the names of witnesses, and other evidence to the investigator(s). The investigator(s) may also interview other witnesses and consider other evidence.
3. ADVISOR. You have the right to select an advisor to support you at all times throughout the university proceedings. The advisor may support you, but may not represent you or speak for you. You may contact the Title IX coordinator or the Office of Student Conduct if you have procedural questions or concerns during any stage of the process.
4. STANDARD OF EVIDENCE. The standard of evidence that is applied is called a “preponderance of the evidence,” meaning you will only be considered responsible for sexual misconduct if the evidence shows that you more likely than not committed the violation. Less evidence is required under this standard than under the “beyond a reasonable doubt” standard that would be used if you are also criminally charged for sexual misconduct by law enforcement. However, at the complainant’s request, the university may take action to change a class assignment, working relationship, or issue a campus protective order, so that you will be separated from the complainant to the greatest extent possible. These actions will not be considered in determining whether you are responsible for the alleged sexual misconduct, and will not prejudice you under that process.

### 5. SANCTIONS. You have the right to know the potential sanctions that may be imposed if you are found responsible for sexual misconduct. These sanctions include, but are not limited to, warnings, probation, suspension, dismissal from the university, or termination from employment.

### 6. INFORMATION. You have the right to information regarding the status of the complaint against you, including the outcome of the campus investigation and any disciplinary action, the procedures to appeal a disciplinary action, and the final outcome.

### When a Student is the Accused

The following provisions are designed to provide a fair process for both parties while also ensuring victims/survivors protections under Title IX. Consistent with due process, a charged student is not in violation until a preponderance of evidence proves otherwise.

As a public institution UCF must provide due process to students accused of violent conduct, injurious behavior, sexual misconduct, dating violence, domestic violence, and/or stalking. Alleged victims of violence may choose how to proceed within the student conduct process, although UCF can proceed with conduct action without the victim’s consent if the alleged behavior put others in reasonable fear of physical harm or created a hostile environment in which others are unable to conduct or participate in University work, education, research or other activities, or otherwise adversely affects the accused student’s suitability as a member of UCF community. Alleged victims of sexual harassment or violence in those cases are handled by the Office of Student Conduct in a formal hearing with certain rights in the conduct process as listed below. The following provisions are designed to provide a fair process for both parties while also ensuring victims/survivors protections under Title IX.

### 30
and the Campus SaVe Act (http://campussaveact.org/). Consistent with due process, a charged student is not in violation until a preponderance of evidence proves otherwise. To protect victims/survivors of acts of violence throughout the disciplinary process, UCF has established the following provisions for victims/survivors:

1. A victim or a survivor may have a person of her or his choice accompany her or him throughout the Student Conduct Review process. This person will act as a support person or advisor but will not represent the victim or survivor. A victim or survivor may continue to attend classes and is given a chance to hear the charged student be asked during the hearing process.

2. A victim or survivor will be afforded similar and timely access to any information that will be used during the Student Conduct Review Process.

3. A victim or survivor will receive notice to attend a preliminary conference meeting with the Office of Student Conduct.

4. A victim or survivor may submit a list of questions relating to the alleged incident, prior to the hearing, that she/he feels the charged student should be asked during the hearing process.

5. A victim or survivor will have equal opportunity to present relevant witness and other information to include appropriate compensations if the charged student is found to have been in violation of a rule while at the University of Central Florida.

6. A victim or survivor may not have her or his irrelevant past conduct, including sexual history, discussed during the hearing. The issue of relevancy shall be determined by the Student Hearing Panel or the hearing officer.

7. A victim or survivor will be provided access to view and hear the charged student’s statements during the Student Conduct Review Process.

8. A victim or survivor shall be questioned directly by the charged student during the Student Conduct Review Process. All questions shall be asked through a hearing officer.

9. A victim or a survivor may make a “victim or survivor impact statement” and suggest an appropriate sanction, disciplinary warning, disciplinary probation, disciplinary suspension, and/or disciplinary expulsion (See Section 5.009 for more information) to include appropriate compensations if the charged student is found to have been in violation of a rule while at the University of Central Florida.

10. A victim or survivor and the charged student, will be informed of the outcome of the student conduct review, any outcomes, and appeal process concurrently in writing, after making a appeal to protect the confidentiality of all persons involved as outlined in the Family Educational Rights and Privacy Act Regulations, 34 CFR 99(a)(13). The victim/survivor will be informed of the outcome of the hearing and the outcome of any appeal without a commitment to protect the confidentiality of the information, pursuant to the Clery Act Regulations, 34 CFR 668.46(b) (17). The “final outcome” means only the final determination with respect to the alleged violation and any sanction that is imposed against the accused. If the alleged victim of such crime or offense is deceased, the appropriate compensations for the victim or survivor shall be determined by the Student Hearing Panel or the University. If the victim of such crime or offense is deceased as a result of such crime or offense, the victim or survivor shall be treated as the alleged victim for purposes of this paragraph. UCF will provide the written determination of the hearing, appeal outcomes, and any changes to the result before it becomes final to the victim or survivor.

11. A victim or survivor has the right to appeal the outcome of the Student Conduct Review Process on the basis outlined in the Student Conduct Appeals section UCF-S.5-100.

12. A victim or survivor will be given a periodic status updates throughout the Student Conduct Review Process, which generally takes sixty calendar days following receipt of an incident report.

If a complainant reports, UCF will ask for consent from the complainant to begin an investigation. Sometimes UCF may have to proceed without an investigation if there is a great risk to public safety.

**Student Disciplinary Process and Sanctions**

The UCF disciplinary process is consistent with the institution’s policy and will include a prompt, fair, and impartial investigation and hearing process that is fair and impartial to the accuser and the accused. The UCF disciplinary process does not include communications and meetings between officials and victims concerning accommodations or protective measures to be provided to the victim. Usually, the resolution of complaints of sexual misconduct are completed within 60 days of the report, however the proceedings may extend for good cause with notice to the accuser and the accused of the delay and the reason for the delay. Investigators and hearing board members are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking and taught how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. The policy and process provides that:

1. The accuser and the accused student each have the opportunity to attend a hearing before a properly trained hearing board that protects the safety of victims and promotes accountability;

2. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;

3. The institution will allow for timely access to the accuser, the accused and appropriate officials to any information that will be used after the fact-finding investigation but during formal and informal disciplinary meeting and hearings;

4. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;

5. The institution provides the accuser and accused the same opportunities to have others present during an institutional disciplinary proceeding. The accuser and the accused student each have the opportunity to have an advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting or proceeding;

6. A student conduct decision is based on the preponderance of evidence standard;

7. The accuser and the accused will be notified simultaneously in writing of the result of any disciplinary proceeding, as well as any changes to those result or disciplinary actions prior to the time that such results become final; and

8. The accuser and the accused each have the right to appeal the outcome of the hearing by and will be notified simultaneously in writing, of any change to the result prior to the time that it becomes final and of the final result after the appeal is resolved.

**Sanctions**

In all cases, investigations that result in a finding of more likely than not that a violation occurred will lead to the institution using disciplinary measures against the accused individual. University sanctions for sexual misconduct include the following and will be imposed upon a finding of responsibility:

**Disciplinary Probation**

Disciplinary probation status shall be for a specific length of time. Restorative conditions may be imposed and vary according to the severity of the offense. Restorative conditions may include, but may not be limited to the following: loss of good standing, which may become a matter of record; inability to receive any University award, scholarship, loan, honorary recognition, or initiation into any local or national organizations, and denial of the privilege to occupy a position of leadership or responsibility in any University student organization, publication, or activity, or ability to represent UCF in an official capacity or position. If the student may continue to attend classes and is given a chance to show capability and willingness to live in accordance with University standards, the student may continue to attend classes and is given a chance to show capability and willingness to live in accordance with University standards. If the student is subsequently found in violation of a rule while on disciplinary probation, UCF may suspend or expel the student from UCF. While on Disciplinary Probation, a hold will be placed on a student’s record for record keeping purposes.

**Disciplinary Suspension**

A student involved in an offense warranting consideration of action more serious than disciplinary probation or one involved in repeated misconduct may face suspension. During the period of suspension, a student may not attend classes, participate in University related activities, whether they occur on or off campus. A student under disciplinary suspension may not otherwise be present on University premises unless authorized in writing in adherence to conditions approved by the Director of the OSRR. In determining if and to what extent suspended students shall be authorized to be on University premises, the Director of the OSRR will consider whether the suspension creates an undue hardship on the suspended student in regard to considerations that include, but are not limited to, the medical needs of the student. An overlay will be placed on a student’s record during the period of suspension. Further, while on disciplinary suspension, a hold will be placed on a student’s record for record keeping purposes. All assigned educational sanctions must be completed prior to the conclusion of disciplinary suspension; otherwise the disciplinary suspension will remain in effect.

**Disciplinary Expulsion**

Expulsion is a sanction which removes the student from his/her academic program and permanently separates a student from UCF without opportunity to graduate or re-enroll at UCF in the future. An overlay will be permanently placed on the student’s record. Further, a hold will be permanently placed on a student’s record for record keeping purposes.

**Educational Sanctions**

In conjunction with an administrative sanction, a student found to have been in violation of any of the Rules of Conduct may be subject to educational sanctions such as, but not limited to, reflective / research papers, classes / seminars, community service, interviews, etc. If a student has any outstanding educational sanctions at the conclusion of disciplinary probation or suspension, a student’s disciplinary probation or suspension status and hold will remain in effect pending the completion of the educational sanctions.

**When an Employee is the Accused**

The following procedure is based on the procedure referenced in UCF Regulation 3.001, Non-Discrimination and Affirmative Action. They implement UCF Regulation 3.013A, Grievances Alleging Discrimination, and they will be applied to each action filed under the UCF Discrimination Grievance Procedure. The standards used at each step are described in educational sanctions. The secondary goals include improvement of UCF’s support of equal opportunity and affirmative action, encouragement of cultural diversity, and treatment of individuals with respect and dignity. These secondary goals may foster actions by UCF presidents to prevent perceptions or enhance the climate despite no finding of a violation of the regulation prohibiting discrimination. Such actions will be differentiated from corrective measures implemented based on findings of a violation.
This procedure is presented in six sections: Intake, Investigation, Communication and Reporting, Implementation of Corrective and Final Actions, Document Dissemination and Storage, and Glossary.

I. Intake

Complaints may be brought to the attention of the Office of Equal Opportunity and Affirmative Action Programs ("EO/AA") in many ways. There is no required format, preceding step, or standing needed to raise an issue with the office. Written and unsigned written communication all are examples of contacts that may be used to raise an issue.

However, only two forms of contact are recognized for entry into the UCF Discrimination Grievance Procedure: personally-identifiable contact by the grievant with the office, or written, signed contact by the grievant with the office. (Alternate formats of personally-identifiable contact may be provided if reasonable accommodation to an individual with a disability.)

Confidentiality will be maintained to the extent possible. The fact that a grievance has been filed, and the nature of that grievance, will be communicated only to those who require such information to fulfill their responsibilities.

All documents related to an investigation are protected by statute from review by members of the public while the process is ongoing. Confidentiality of grievances might be shared with respondents in original format. However, it is more likely that it will be presented in a format in which each statement is related to the charge, with names removed.

EO/AA does not require the grievant to specify the pertinent laws or mention the title of the regulation UCF 3.001. The office is responsible for comparing the alleged discriminatory conduct to the bases of race, color, religion, sex (including sexual harassment and pregnancy discrimination), national origin, age, marital status, sexual orientation, gender identity, gender expression, and veteran status (as protected under the Vietnam Era Veterans' Readjustment Act). Parties who do not claim such bases will be referred to a more appropriate forum or assisted with conflict resolution on a more informal basis.

After reports or complaints are received, the matter will be examined to determine if it appears to fall within the jurisdiction of the office. If so, the procedure continues with notice to the respondent of the initiation of the listed allegations has been initiated. This notice may contain slight detail and may only serve to inform the respondent, not call for response.

Determination of jurisdiction continues with early fact-finding related to the status of the grievant, timeliness of filing, the preliminary allegations, UCF's control over the matter, or administrative actions. If no jurisdiction is accepted and the allegations are supported by signed, written statements, the investigation will proceed. If no such statements are received, the respondent will be notified of that fact. The investigation may still continue, if the Director of EO/AA deems it appropriate, but there may be no individual remedy available to those who informed UCF about the issue.

An investigation plan then is developed by the Office. It usually will entail elements such as confirmation of jurisdiction; one or more interviews with the grievant, respondent, and witnesses; document collection; receipt of signed, written statements; clarification of unresolved issues; and preparation of the final report and supporting evidence.

The elements may be accomplished in varying order to best meet the demands of the investigation. It is the most common to provide the respondent with the last opportunity to comment on the unresolved issues prior to preparing the report and its findings. Interviews are commonly conducted in private, with no representatives or observers. Recording (by person or device) is not considered appropriate for this process, which is an informal, proactive administrative procedure. The Discrimination Grievance Procedure is predicated on the belief that effective personal communication in this type of investigation is one-to-one.

Similarly, those electing counsel should understand that EO/AA will be represented by UCF's Office of the General Counsel in matters related to the investigation. Representation of grievants by private counsel is permitted. However, it is not envisioned in this process, since no determination of corrective actions (which might include discipline) is made at this level. Administrative response is the final step of the process. In any case, grievants who choose to be represented by counsel should be aware that for requesting to be present or notified of actions may delay one or more steps of the process.

III. Communication and Reporting

The first communication is normally a notification to the grievant that jurisdiction has been accepted. This is normally followed by a notification to the respondent that a grievance is being investigated. Notification to the respondent will occur no later than seven calendar days after acceptance of jurisdiction.

Interim reports are not common in the investigation. Communication to the grievant, respondent, or witnesses may include statements from other parties for which verification or explanation is requested. Presentation of such statements is not considered a report, a finding, or a predictor of the result of the investigation. It is merely a statement of information with a request for those parties to comment.

The Investigation Report will contain a Statement of Allegations, statement of the violation of regulation that is alleged, facts determined in the investigation, and other findings related to the status of the grievant, timeliness, and the matter, or administrative actions in progress. If cause is found to recommend an administrative action, the recommendation may specify that the designated administrative structure, appropriate remedies for environmental factors or perceptions. The purpose for providing the recommendations in a separate document is two-fold:

1. It provides the President an opportunity to review the report and independently consider appropriate strategies.

2. It provides the President with guidance on such strategies that is based on technical knowledge of administrative structures, appropriate remedies for particular situations, the grievant's request for remedy, and the past practice of UCF in similar situations.

Recommendations related to findings of a regulation violation will be differentiated for the president's consideration from recommendations related to improvement of environmental factors or perceptions. Correction or improvement of such factors is important to UCF in its continuous efforts to erase discrimination as well as the perception of discrimination.

Recommendations will be tailored to existing systems of due process when available. If cause is found to believe that a violation of university regulation occurred, the recommendation will specify the design of an administrative route be utilized to consider appropriate discipline.

Due process attaches to each of those disciplinary procedures. Other recommendations may be specific to the situation and consistent with university practice, the body of research in the area of violation, and the best interests of UCF.

IV. Implementation of Corrective and Final Actions

As specified in the regulation, the President normally selects one of three courses of action once the report and its findings have been accepted.

1. Direct that specific action should be taken according to the recommendations of EO/AA.

2. Direct that specific action should be taken, modifying the recommendations of EO/AA.

3. Direct other actions in lieu of those recommended by EO/AA.

The report and recommendations are returned to EO/AA, with any necessary comments or recommendations. The President may be directed to appropriate offices, possibly with a monitoring schedule, or undertaken specifically by EO/AA.

V. Document Dissemination and Storage

Once an investigation process is complete, the grievant and respondent is notified of the outcome. Each party is provided a copy of the Investigation Report simultaneously at no charge.

The final report may become a public document after the completion of the process. Requests for copies will be processed as requested. This procedure is available in the Forms section of EO/AA website.

The Investigation Report and all supporting documents, plus the work products used in the investigation, are archived in EO/AA. They do not become part of any employee's official personnel file as a part of the investigation process.

The President's decision is the final step in the Discrimination Grievance Procedure. Parties who believe that the investigation failed to follow the procedure may request reconsideration by the President by furnishing a detailed written statement. Discipline or other corrective measures taken by appropriate university officials after the investigation also may carry due process rights.

Participation in this process has no bearing on the freedom of grievants to pursue their civil rights in another forum. The investigation procedures are modeled on standards set by EEOC. Therefore, the Investigation Report may be used in UCF's interaction with external forums chosen for resolution.

VI. Glossary of Related Terms

The following list contains working definitions of terms commonly used in the UCF Discrimination Grievance Procedure.
The statement is normally extracted from the grievance statement and interview(s) with the grievant. It is normally prepared in a manner reflecting the prima facie case of discrimination that would be made if the allegations were substantiated.

UCF Discrimination Grievance Procedure: Defined set of actions taken by UCF in accordance with UCF Regulation 3.0134. Supplemented by the EO/AA office’s policies and procedures.

Reports of all domestic violence, dating violence, sexual assault, and stalking made to the UCF Police Department will automatically be referred to the Title IX Coordinator for investigation regardless if the complainant chooses to pursue criminal charges.

When a complainant does not consent to the disclosure of his or her name or other identifiable information to the alleged perpetrator, UCF’s ability to respond to the complaint may be limited.

Confidentiality
UCF will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law and as previously mentioned in this document.

For students, sexual assault, domestic violence, dating violence, and stalking are violations of the Rules of Conduct. Employees who violate this policy will be subject to discipline, up to and including termination of employment.

The Title IX Coordinator or their designee will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: a University order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by UCF.

REAL PROJECT: AOD PEER EDUCATORS
Confidential screening and assessment is available for students who are interested in feedback regarding risk and protective factors associated with their self-reported AOD use. In compliance with the DFSCA a description of drug and alcohol policies and abuse education programs is available at http://goldenrule.sdes.ucf.edu/docs/aod.pdf. Students who have violated campus alcohol and other drug policies and/or have been referred for alcohol and other drug violations with law enforcement are also advised in our office. Please visit the UCF Wellness and Health Promotion Services website at http://whps.sdes.ucf.edu for more information on additional programs, resources, and workshops available to the UCF community.

PROTECT YOURSELF FROM DATE RAPE DRUGS
• Never leave your drink unattended. Date rape drugs can be slipped into any type of drink and they are often colorless and odorless.
• Do not accept drinks from strangers.
• Watch bartenders pour your drink.
• Attend parties and bars with friends who will be with you throughout the event.
• Have your designated driver arranged before going out. The designated driver doesn’t consume any alcohol or illegal substances.
• If you think your drink has been tampered with, seek medical attention right away and request the hospital to conduct a toxicity test.
REPORTING HATE CRIMES

A hate/bias crime is a crime that shows evidence that the victim was intentionally selected due to the perpetrator’s bias against the victim. All CSAs are required to report hate crimes by category of prejudice, geographic location, year the incident was reported, and category of crime, including any crime perpetrated on the basis of prejudice that results in bodily injury.

The following categories of crime statistics for the campus, non-campus properties, and public property areas that are reported to the UCF Police Department and Campus Security Authorities must be disclosed for the most recent three calendar years:

- Homicide: Murder/Non-negligent Manslaughter, Negligent Manslaughter

Institutional Fire Safety Policies for UCF Residence Halls and Affiliated Housing

Fire safety is a top priority in UCF residential facilities. It is vital that members of the community understand and follow all rules and regulations. In an effort to further enhance improvements to fire safety the DHRL is continually evaluating the building systems for needed upgrades and scheduling them as they are required. Most recently UCF added new fire sprinklers to the Lake Claire housing facility and upgraded the fire alarm systems there. At present UCF is upgrading the fire alarm systems in Orange, Brevard and Seminole Halls. Future upgrades will include updating the fire panels in Citrus, Flagler and Sumer Halls. The Department of Environmental Health and Safety (EH&S) also monitors the training needs for added topic of discussion to improve fire safety awareness. A Daily Fire Log is maintained and accessible to the public and can be viewed at police.ucf.edu/FireActivityLog.html or in person at the UCF Police Department, 3610 Libra Drive, Orlando, FL 32816.

Fires can present a serious problem in affiliated housing apartment communities. Though damage is usually confined to property destruction, the loss of personal items or of life is a possibility. Knights Circle and The Pointe at Central management highly support the department strives to foster scholarship as a fundamental purpose, instill a sense of community, and support individual responsibility, creativity, integrity and excellence.

Fires and Emergency Evacuation in the Event of Fire: If a fire or suspicious smoke is observed, activate the nearest pull station that sounds the building alarm, call 911, and proceed to the building’s evacuation location. Staff will respond to the sounding alarm and will direct residents accordingly. Always follow the direction of the UCF staff and the Police or Fire Department.

Evacuation Procedures: When an alarm sounds, all residents and their guests must immediately evacuate the building using the nearest exit, closing doors behind you, and proceed to the building’s evacuation location. Use stairwells where available instead of elevators. Do not rush out into the hallway. If the door to evacuate is closed, first, feel the door by gently applying the back of your hand. If it is hot, use another way out. If the door is cool, you may leave through that door and locate the nearest exit. All residents and their guests are required to evacuate the building, whether it is a drill, an active fire, or other threat-related incident. Failure to evacuate a building when an alarm has sounded or when directed by UCF staff, the Police and/or Fire Department is strictly prohibited and may result in student conduct action and/or termination of the resident’s housing agreement. Stand out of the way of UCF staff and other personnel as they work to manage the incident.

If You Are Not Able to Evacuate: Smoke rises, so the cleanest air is near the floor. If the planned escape route becomes smokey, crawl out of the building on your hands and knees. If escaping the room is not possible, stuff wet towels, sheets and/or clothes around the door and vents to keep smoke out. Call 911 and give them your location. If no smoke is detected in the room, slightly open a window if possible. Stay low, yell and wave a bright cloth, towel, or sheet out a window to signal your location.

Evacuation Locations: Each building has a designated evacuation location. Resident Assistants (RA) will inform residents of this location during their orientation. Each evacuation location will be at least 400 feet away from the building. If you think someone is missing or by the UCF Police Department. Failure to comply with correct violations may result in housing and student conduct action and/or termination of the resident’s housing agreement.

Re-entry to the Building: Do not re-enter the building until you are instructed to do so. This order will be given by UCF staff or affiliated housing management, or by the UCF Police Department. Failure to comply may result in student conduct action and/or termination of the resident’s housing agreement.

Reporting: All fire incidents must be reported to the RA, affiliated housing management, EH&S, and/or the UCF Police Department. If a member of the UCF community finds evidence of a fire that has been extinguished, and the person is not sure whether UCF Police has already responded, the community member should immediately notify the UCF Police Department to investigate and document the incident.

Accidental Fire Alarms: Any campus resident who activates the building fire alarm, accidently or without a true emergency, is responsible for any related costs from the Fire Department response. The standard charge for such an event is $300.00 (subject to change). This includes, but is not limited to, errors in cooking, smoking, vandalism, pranks, and policy violations. Any additional costs beyond this and any applicable policy violation charges will also be assessed to the responsible resident(s). Neither students nor staff can interrupt fire department units once they have been dispatched to the campus community. If an alarm is activated, the DHRL, duty station or UCF Police Department should be contacted to help residents better respond to protecting themselves and others in the community.

Fire Drills, Training, and Inspections

Fire Drills: DHRL and EH&S conduct fire drills each semester. Residents will be notified in advance but actual drill times will vary to encourage simulated emergency response.

Fire, Health, and Safety Inspections: For the safety of all community residents, room inspections are completed throughout the year to conduct specific fire, health and safety checks. Any violations found during these checks will need to be corrected in a specified time period (as directed by a RA). Failure to correct violations may result in housing and student conduct sanctions and a review of the resident’s housing agreement. Some violations are subject to immediate contract review.

Training: DHRL staff receives annual training by EH&S on fire safety. Topics include fire extinguisher use, evacuation procedures, and general fire prevention topics. The DHRL relays information to the residents through the local RAs.

Fire Safety Equipment

Fire Alarm Systems: All residential facilities are equipped with fire alarm systems to provide emergency occupant notification throughout the facility. In addition to automatic detection in hazardous areas, manual pull stations are provided for occupant use.

Fire Extinguishers: Residents are encouraged to familiarize themselves with the location of the fire extinguisher closest to their living area and throughout the facilities. All residents should know how to use a fire extinguisher. If a resident does not know how to use one and wants to learn, he or she should contact a RA. In addition to the extinguishers provided, DHRL recommends that every resident also have their own multipurpose or multi-class extinguisher in the event of an emergency.

Affiliated Housing Fire Extinguishers: Please be aware that there is a fire extinguisher located in the kitchen. To learn how to operate these devices, contact a RA.

Smoke Detectors: All rooms are equipped with smoke detectors. Some of these detectors are connected to the main alarm system and to the UCF Police Department. If the units are tampered with in any way, the UCF Police Department will respond to the alarm. Do not tamper with or cover any fire safety device, as it puts everyone in the community in danger. If a detector or alarm beeps or sounds for an unknown reason, notify DHRL staff immediately.

Affiliated Housing Smoke Detectors: All rooms are equipped with smoke detectors. If a resident notices a smoke detector(s) are beeping, they should notify the management office immediately, so that proper maintenance can be performed. They should not disable the smoke detector. Disabling or removing a smoke detector, including removing working batteries, is a violation of the law. It is the responsibility of the resident to replace batteries in the fire alarm detector as needed. If a member of the UCF community finds evidence of a fire that has been extinguished, and the person is not sure whether UCF Police has already responded, the community member should immediately notify the UCF Police Department to investigate and document the incident.

Sprinklers: All UCF residential facilities are equipped with sprinklers. Sprinklers are there to protect both residents and their belongings, and are not to be tampered with or used to hang items on.
Tampering with Fire Safety Equipment: Tampering with any part of a fire protection system or equipment, including false alarms from pull stations; obstructing or tampering with doors, smoke detectors, stove top extinguishers, sprinkler heads, evacuation signs, pipes, hydrants, or exit signs, and illegal use of a fire extinguisher are violations of State Law and are punishable by a fine of $5,000.00 fine and/or six months jail time. The resident will also be held responsible for Fire Department fines, related clean-up costs, and student conduct violations for instances that occur as a result of accident or intentional acts of endangerment. The resident may also face immediate housing agreement termination.

Affiliated Housing Fire Safety Equipment Checks: Smoke detectors and fire extinguishers in affiliated housing should be checked on the first of each month. To ensure that a fire extinguisher is in operable condition, check that the expiration date has not arrived, the pin is securely in place, and the gauge reads full. The date punched on the yellow tag indicates the date of the extinguisher’s last inspection, not the expiration date. All fire extinguishers are due for inspection one year from the date of the last inspection. If residents are concerned about the status of fire safety equipment, they can submit a maintenance work order and they will check the equipment.

COOKING AND APPLIANCES
FIRE PREVENTION

Apartment Kitchens: Apartment style facilities are equipped with a full kitchen that includes a full-sized refrigerator, freezer, and oven range. Small cooking appliances are permitted in the kitchen area. Deep fryers are prohibited. Apartments kitchens are also not to be used for things such as class projects, science experiments, and washing hair. Additionally, residents who use apartment kitchens are required to clean up after themselves before leaving.

Residence Halls and Fraternity/Sorority House Rooms without Kitchens: Suites without kitchens are not able to utilize the same appliance options as apartments. For safety and sanitation reasons, the following items and similar are prohibited:

- Two sided, open faced, or indoor electric grills (ex- “George Foreman Grill”)
- Deep fryers
- Toaster ovens
- Toasters
- Electric skillets
- Hot plates
- Appliances with exposed heating coils

Permitted Appliances Outside of Kitchens: Residents are allowed to have a microwave oven (must be 1,000 watts or less), popcorn poppers, hot pots, and coffee pots with an automatic shut-off feature. Refrigerators (with or without freezers) which do not exceed 5 cubic feet total capacity are permitted. Residents with larger appliances will be asked to remove them and will be subject to a $25.00 fine per occurrence. Check with your RA or House manager if you have any question on permitted appliances.

Safe Operation: All appliances used in any UCF residential facility must be listed, in good working condition, and plugged into a power strip with a built in circuit breaker. Any appliance deemed unsafe upon inspection by DHRL will be removed upon request.

Refuse disposal: All garbage resulting from the preparation of food in all facilities must be placed in a garbage bag and taken directly to the area dumpsters to avoid odor, attracting bugs or contributing to unsanitary conditions. Refuse is not permitted to accumulate in excessive quantities and shall not be left in common areas.

Cooking Tips to Avoid Smoke Alarms:
- Always turn on the vent above the stove.
- Remember to use caution when cooking and never leave food that is cooking unattended.
- Remember the stove may heat differently than other stoves so residents should check their food frequently.
- If a grease fire occurs, use baking soda or flour to extinguish the fire. Never put water on a grease fire.
- Do not use the oven for storage and check it prior to warming it up for use.
- Have a tight fitting lid available to cover the pan until it cools if there is potential problem.

If your smoke detector sounds from cooking in ONLY your apartment, and there is no fire:
- Call your RA or community duty station.
- Give them your name, location, and inform them that a smoke detector is sounding.
- Turn on the vent or fan and open windows, if possible, to clear any smoke.
- DHRL, University Police or Facilities Operations will respond to the scene.

Failure to Comply: A $25.00 fine per occurrence and a review of the resident’s housing agreement may be considered if he or she is found violating these policies.

FIRE PREVENTION - GENERAL SAFETY

Candles, Open Flames and Incense: Due to the potential fire hazard, the use or possession of candles, incense, or anything that have an open flame, or other related items is strictly prohibited in all UCF residential facilities. This restriction includes unlit, unburned, and unused products.

Circuit Breakers: If an electrical circuit is overloaded, it will trip the circuit. This is a safety feature to prevent electrical fires. If a circuit is tripped, electrical appliances should be unplugged and relocated to different outlets. The resident should then notify the RA. Do not attempt to reset breaker on your own.

Curtains and Draperies: Curtains and draperies are prohibited in all UCF residential facilities. Curtains being used in hallways, closets, or as partitions in rooms or apartments are also prohibited. If a bedroom does not have doors on the closet, the resident may put up a curtain using a tension rod; however, the rod must be 20 inches from the ceiling, in order to allow the sprinkler full coverage in the event of a fire. Failing to follow these policies may result in a sanction or citation.

Decorations: Excessive decorations in rooms and common areas are prohibited. Loose items and coverings may not be placed over doorways. If you have a question about permitted decorations contact your RA. Live cut holiday type trees and excessive amounts of cut vegetation are prohibited inside all UCF residential facilities.

Electrical Cord Guidelines: Extension cords are prohibited in university housing facilities. Only 120v, listed electrical power outlet strips (surge protectors) with a built in manual reset 15-amp circuit breaker are permissible. The maximum allowable length of the cord is six feet, with a maximum of six outlets at the end of the cord. Only one outlet strip may be used per wall outlet, and power strips may not be plugged into one another (daisy-chaining). In addition, non-circuited multi-socket cords, multi-plug adapters, anything with a frayed or damaged cord, and air fresheners or fans with an outlet are strictly prohibited as they can cause a fire. Be very cautious and ask RAs any questions. These policies are in accordance with the Florida State Fire Marshal and state policy.

Prohibited Items and Hazardous Materials: In addition, explosives, flammable or any hazardous substances, or any item or thing of a dangerous nature are strictly prohibited within DHRL facilities. This includes but is not limited to, bug bombs, gases, gasoline, solvents, lighter fluid, propane, non-life support compressed gas cylinders, dive tanks, and welding tanks (full or empty). Also see Appliances, Candles and Incense, Decorations, Electrical Cord Guidelines, Smoking, and Weapons in this guide for other prohibited items. The DHRL has the final authority in determining an item’s classification as hazardous. All items deemed hazardous will be removed upon request.
Smoking: UCF is a smoke free campus. In compliance with the Florida Clean Air Act of 1992, smoking is not permitted in any residence hall, apartment room, hallway, lounge, laundry room, community center, common house space, classroom, or enclosed stairway of any building owned or managed by UCF.

Affiliated Housing Smoking: Smoking is permitted inside apartments, with permission of all tenants. In the event that there becomes a conflict between tenants about smoking within the apartment, the unit will default to a smoke-free environment.

Weapons: Florida Statute 790.115 prohibits the possession, control, or display of any firearm, electric weapon or device, destructive device, or other weapon as defined in Florida statute 790.001, while on the property of UCF. Individuals who possess a license to carry concealed weapons are not exempt. Weapons includes, but is not limited to firearms, ammunition, BB or pellet guns, air soft guns, weapons for sport (including paint ball guns, bow and arrows, diving knives, hunting weapons), stun guns, swords, switch blades, knives, sling shots, martial arts or medieval weapons, and flammables (liquids, solvents, gases). “Toys” that look like actual weapons are also prohibited. In addition, fireworks (including sparklers and smoke bombs), explosives, or dangerousflammable chemicals of any kind are strictly prohibited in any UCF residential facility or in the surrounding vicinity.

Affiliated Housing Fire Prevention: Prevention is the best insurance against fire. Knights Circle and The Pointe at Central recommend that residents take these simple safety precautions in apartments to prevent fires from starting:

1. Never leave cooking, appliances in use (such as an iron or hair straightener), or cigarettes unattended.
2. Let cooking grease cool and then pour into a metal can. Never pour hot grease into a plastic container.
3. Never misuse lighters or matches.
4. Avoid cooking while intoxicated, taking medication, or tired.
5. Test smoke detector(s) monthly to make sure they are working.
6. Do not store fuel-operated grills, tools or vehicles (motorcycles) inside the apartment, or in or on stairwells, breezeways, patios, or balconies.
7. Never burn candles or use halogen lamps or cheap extension cords.
8. Never overload extension cords or outlets.
9. Always use electrical items for their intended purposes only.
10. Keep curtains and other materials 12 inches from any outlet.
11. Always keep the apartment free of clutter.
12. Always evacuate if the building alarm sounds.

LOCATIONS
Crime statistics are reported according to the following geographical categories: on campus and on campus residential, non-campus building or property, and public property. The following definitions apply to these geographic categories:

**Campus:** (1) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution. Study abroad program locations are included in this geographic category as well.

**Public Property:** All public property, including streets and sidewalks that are immediately adjacent to and accessible from the campus.

UCF must also disclose statistics for “unfounded” crimes. An unfounded crime is considered to be a reported crime that is determined to be false or baseless through the result of an investigation.
The UCF Police Department protects the rights of the campus community regardless of sex, race, color, ethnicity, sexual orientation, physical handicap, religion, or other belief system. We maintain the highest ethical standards to ensure positive interactions and to maintain the continued trust and support of our community.

Our first and highest priority is the safety and welfare of the students, faculty and staff members, and visitors. To keep our campus community safe, we investigate suspicious behavior and identify violations. Our officers actively enforce the criminal laws and motor vehicle laws of the state and will only detain citizens when there is a reasonable suspicion that a crime is being committed or has been committed.

WHY AN OFFICER MIGHT STOP YOU

There are various reasons why an officer may stop you. You may have committed a traffic violation, or your vehicle and/or the people in your vehicle may match the description of a suspect or suspect vehicle.

Traffic stops are stressful for you and the officer. While you may feel anxious, angry, or confused, to ensure your safety, your passenger’s safety and the officer’s safety, please cooperate and comply with all instructions.

YOUR SAFETY IS OUR CONCERN

Prevent Campus Theft

Theft is the biggest crime problem facing university campuses across the nation. Electronics are a popular target for thieves. An owner walks away from their property for a moment and returns to find that the property is missing. We encourage everyone to use the property registration program offered by the UCF Police Department. By recording your serial number, the chances of recovering your property are much higher.

Bicycles are the best method of transportation to get around campus, but they are also a target if left unsecured or if inexpensive locks are used. Cross locking – using more than one kind of lock – is a good way to deter thieves. For example, put a U-shaped lock through your frame and front tire.

- Register property with a serial number on the UCF Police Department’s website at http://police.ucf.edu/PropertyReg.html and we will store the information for four years.
- The UCF Police Department offers another property registration program called “Operation I.D.” An officer will engrave your driver license number on your bicycle, free of charge. The hours for this service are Monday through Friday, 9 a.m. to 5 p.m. at the UCF Police Department Headquarters located at 3610 Libra Drive, Orlando, FL 32816.

Keys to Prevent Auto Burglary & Theft

More than 45,000 vehicles are registered on the UCF campus. The UCF Police Department and other law enforcement agencies do everything in their collective power to prevent auto burglary and auto theft. The following are 10 keys that can help you protect your vehicle from theft:

1. Always roll your windows up and lock your car.
2. Don’t leave valuables in plain view. Items left in the open attract thieves. Store them in your trunk if necessary.
3. Engrave expensive accessories, such as car stereos and speaker systems, with your driver’s license number. This aids the police in tracing the stolen items.
4. Never leave your vehicle running and unattended.
5. Install an anti-theft device that is highly visible, hard to defeat, and renders the car inoperable.
6. Drop a business card or address label in the map pockets of your doors.
7. Don’t hide a spare key.
8. Don’t leave important papers such as bank statements, credit card statements, or other important documents in your car.
9. Photocopy your registration and insurance information and keep it in a safe place other than your vehicle.
10. Most importantly, be crime-wise. Think of what you can do to protect your belongings ahead of time before you become a victim.

If your vehicle has been burglarized, contact the UCF Police Department immediately and try not to touch the vehicle. The more you touch your vehicle, the more you contaminate the crime scene.

See something? Say something.
